

RFQ for 132nd Square Park Stormwater Retrofit Flow Monitoring
Job No. 11-17-PW
April 26, 2017

Questions and Answers

Following is the questions and provided answers received by the April 21st deadline for this project:

Question:

It looks like an estimate of project costs is not required in response to this RFQ. Is that correct?

Answer:

The budget and proposed costs are not being sought as part of the RFQ. We are simply looking at the qualification of the firm and their ability to perform the identified tasks. Budget will be negotiated during the scope development phase after an apparent successful firm is selected.
